College of Arts and Sciences IT

CAS-IT staff are tasked to deliver IT services to CAS faculty and Staff. We strive to meet college, department, faculty, and staff needs while balancing technical sustainability and secure best-practices.

Are you new to the College of Arts & Sciences? Would you like a quick overview of CAS-IT and technology in general at ISU? Please read the document named "What every CAS faculty and staff member should know about IT" found in the CAS Faculty/Staff Intranet.
